

1 PAUL & LOIS JENKS AMG, USA/Asia

Please pray for funding for AMG ministries in Thailand and other Asian countries. It has been insufficient recently because of budget shortfalls due to the pandemic and declining child sponsorships. Please pray that God will raise up new financial partners to help supply the need.

2 TIM & KATHY CUMMINS Whirlwind Missions, USA

Pray for Whirlwind Mission's after-school program at the apartment complex. Since the pandemic, they are no longer allowed to hold it inside, so they are always outside, wearing masks and spaced out. It is amazing how many children are willing to sit outside in any weather just to do homework!

3 VERAL & NORMA BLAKE Ambassadors for Christ International, West Indies

Pray for their son, Nigel, that the drugs he needs to begin his Chemo will be sourced and get to SVG so he can begin soon, as it should have started right after his surgery last year. Pray they will be guided regarding the country where he can go for radiation treatment. Pray for his mental and spiritual state to remain strong.

4 KEITH & JACI PATMAN Wycliffe Bible Translators, USA/Central Africa

Praise the Lord the translation guide for 1 Corinthians that Keith helped prepare has been published in the electronic format available to translators all over Africa.

5 ANDREW & INNA RYZHKOV Byelorussian Mission, Inc., USA/Belarus/Israel

Byelorussian Mission expanded its reach to bring young people to Christ, even in the U.S. Teaming up with local churches from Charlotte, Atlanta, and Philadelphia, they conducted a retreat, united in leading worship, and brought five sessions on Biblical Preaching, Biblical Financial Literacy, How to be Victorious in Temptation, and Life with Social Media. Praise God that six young people gave their lives to Christ, steadfast and willingly! Pray for God to expand Byelorussian Mission's reach to influence young Slavic people in the USA!

6 MERVAT NUWAYHID Pioneers, USA

Pray for Mervat's health. She had two heart procedures: one in December 2020 and another one in January 2021, as well as another medical procedure on March 16. Due to her medical expenses, pray she can raise more support. Also pray for her training of some other converts on how to reach their people for Christ.

7 J & P Central Africa

Pray for J as he works with crews to complete some buildings at the Retreat and an auditorium at Wellspring Academy. Pray for safety, strength, and provision.

8 CF ME

Pray for CF's spiritual, emotional, mental, and physical health as she and her team transitions to life in a new ministry country. The team is the first student led movement team in this country to specifically target college students.

9 KIRK & CINDY FLANEGAN Wycliffe Bible Translators, USA

Pray God would bless new and existing relationships which Kirk is establishing as he travels and communicates through phone, email and Zoom calls.

10 T & A Asia

Pray that the women who recently attended a ministry event will continue to walk in their new-found freedom now that they are back in their villages. Pray for the team as they seek to multiply this ministry to reach and encourage more women.

11 K & C USA/Worldwide

Every Tuesday and Friday in April – pray for teaching the Bible in heart languages to many different nationals all over the world. Please for them and their fellow ministry country and pastor/missionary colleagues. K has the joy of friendship and partnership with seven of them with whom he meets regularly on Zoom.

12 HUGH & JOANNE ROBERSON Cru (Campus Crusade for Christ), USA/Asia

During April 12-16, there will be a Team Ministry Partner Development for staff teams in the Philippines, Thailand, and other ministry countries. Pray as they transition materials to an online format for teaching. Zoom planning meetings help to coordinate these meetings and are important because it builds local sustainability and unites a support team locally to pray and support each city and campus.

13 RICK & ELISABETH ARNOLD Pioneers, Inc., West Africa

Please pray for the capital city in their beautiful country, which continues to battle Covid, has an outbreak of Yellow Fever, discovered a terrorist cell, and Ebola has erupted in the neighboring country of Guinea.

14 JOHN & LOIS NORTH Ambassadors for Christ International, Australia

Some major revisions and improvements to EvangelismSHIFT have taken place this past year during the pandemic, which ordinarily would have been impossible to undertake amidst continual international travel. A blessing in disguise, the small group tool has been redeveloped so it can be used by anyone to learn the lifestyle of a witness for Jesus along with three to four other people. It is called Life2Life and each member then takes three to four other people through Life2Life.

15 NK Africa

N has requested prayer as he considers leading an attempt to reconcile two groups within the church that have been in conflict for over a decade over policies and properties.

16 MIHALIS & LOIS LITSIKAKIS AMG International, Greece

God opened a new door for ministry through partnering with an organization that is sending humanitarian aid in huge containers from Switzerland. Now, and more efficiently, these supplies are reaching many of the needs of the people, opening new doors of ministry, reaching out to new families, and partnering with more local institutions (municipalities, fire departments, and non-profit organizations).

17 BELA & ILDIKO DOBOS Word of Life Hungary, Hungary

Please pray for the summer volunteer team building event on April 17. It will be an online session to prepare volunteers to serve in their camp this summer. Please pray also for their Missions Conference during April 23-25. During this conference they will focus on a country that is in a very difficult situation right now and needs the Gospel very much.

18 BILL & JOY BOEROP World Thrust International, USA/Worldwide

Pray for guidance and wisdom in adjusting to the increasing use of technology to communicate their message and teaching. Pray for complete recuperation for Joy as she deals with regaining balance in walking. The result of all the medical treatments received over the past year causes some imbalance, but God will help.

19 KATHRYN WURST CMF International, Germany

Social distancing restrictions began lightening up in March, however Germany has now tightened up again with the threat of a third wave of the pandemic. Please pray that progress continues to be made in vaccine distribution, and in reducing the number of cases.

20 SERGIO & LINDA MIJANGOS

Avant Ministries, Guatemala

Pray for Sergio's teaching, to effectively communicate on some difficult topics. Pray for wisdom for the government and for seminary authorities that the seminary will soon be able to have in person classes and have visiting professors come to teach intensives. Pray for Linda's treatments for lymphoma and for complete healing, for peace in the process, and for God to be glorified.

21 KEITH & RITA HAYWOOD

Operation Mobilization, USA/Worldwide

Pray for the teams in all countries who are seeing good responses to TV programming, befriending ministries, and developing meaningful relationships that are leading people to Christ.

22 ANDREW & ALECIA TEEUWEN

Pioneers, Greece

Pray for France and the churches there. In an effort to restrict another religion, a law is being considered that could severely limit religious freedom. Pray for the Greek and Albanian young people who are believers to stand firm in their faith and be a witness to their peers. They are faced with a very secular society.

23 F & T

Asia

Please pray for the monthly meetings with pastors in larger group settings as well as personal visits over lunches and tea. Pray for success in coming alongside to encourage and equip churches throughout the country through evangelism training and raising up next generation leaders.

25 FOTIS & MARY ROMEOS

AMG international, Greece

A strong 6.3 magnitude earthquake hit central Greece on Wednesday, March 3, as reported by the U.S. Geological Survey, prompting residents to rush into the streets. Pray for their church family as they had three funerals in 15 days of dear brethren 58-, 60- and 60-year-olds. One was Fotis' closest friend.

26 PAUL & KARAN DAVIS

TEAM, France

The Covid-19 virus continues to spread rapidly in France. Despite the restrictions, Paul and Karan continue their witness through opportunities to coach, mentor and conduct weekly English class outreach online.

27 CHARLIE & MARYBETH BERRY

Cru (Unto®), USA/Worldwide

Please continue to pray for international borders to open, enabling Unto humanitarian aid mission trips to resume.

28 LARRY & PEGGY ANDERSON

Youth Outreach United, USA

Pray as Y.O.U. shares the Good News of Jesus Christ with the children in the apartment ministry. Children are bombarded every day in school and by the media, with a humanistic approach as to how they are to think and live. They see their teachers being fired simply because they hold to biblical values, such as the fact that God has created male and female distinctly different from each other. It is a constant, ongoing struggle to remain relevant in sharing the Gospel to these children. Pray for the Holy Spirit's guidance and presence.

29 D & C

Asia

Please intercede for D & C that the Lord will smooth the road in each of their relationships with four brothers from a previous ministry country regarding training, equipping, mentoring, resources, and related projects for leadership so they can see progress in each of these projects.

30 ROSS & ROULA GEORGIU

Campus Crusade for Christ, Germany

Please pray for the wellbeing of leaders and chaplains around the world and the recovery of those who have been struck down by Covid-19. Please pray for continued growth and development of emerging leaders and God's provision of the right contacts for the expansion of their local ministries.

"THEREFORE, MY BELOVED BRETHERN, BE STEADFAST, IMMOVABLE, ALWAYS ABOUNDING IN THE WORK OF THE LORD, KNOWING THAT YOUR TOIL IS NOT IN VAIN IN THE LORD."
