InStep International, Inc., USA/Worldwide

Today, InStep and their church partners will launch The Nehemiah Project – a strategy that is designed to host a revival service each Friday – for 52 consecutive weeks. Over 240 churches and pastors have accepted the vision in Central America and the excitement continues to grow. Their goal is to empower and expect a great work of God to transform their communities and countries. Pray for salvation of the lost and the strategy that allows many to participate.

2 MARK & JANA FAUS
SIM, USA/Worldwide

Pray for the Lord to provide a good rainy season and bountiful harvest for southern Angola. The region and people are suffering from famine and malnutrition conditions. Pray for wisdom in Mark's work of providing governance consultation and training amongst SIM's global ministries. Pray for wisdom for Jana in her role of managing the communications on the SIM Health Ministries Team.

3 PAUL AND LOIS JENKS

Please pray for Paul as he will have hip replacement surgery today. Pray he will be able to regain mobility without pain. Originally, they were planning to return to Thailand in January, but will now postpone until his full recovery from surgery.

4 KEITH & RITA HAYWOOD

Please continue to pray for Rita Haywood who is receiving the chemo treatments through January each Tuesday. Prayers are much appreciated to cover each week.

5 STEPHEN MCCONNELL
Wycliffe Bible Translators, USA

Continue to pray for Stephen who experienced serious repercussions from a bump on his head in October, causing a subdural hematoma. Praise God that a recent CT scan showed that the hematoma has shrunk by about 70% and is no longer deforming the brain to one side. He has been cleared for driving, playing the horn, and working on the computer. He will have another CT scan in January to check again. The neurologist is optimistic that the hematoma will disappear without further medication or surgery.

6 JOSH & GINA BLOOMFIELD
AFC International, Australia

Pray for their efforts in building a Life2Life App to further accelerate the multiplication of the witnessing lifestyle among believers. Please pray God would enable them to build this app without hiccups over the next six weeks and when it launches around the world early 2022. Please pray that God would use it in a powerful way to activate believers as witnesses, especially those believers who have never lived as a witness before.

7 EDNER & DOMINIQUE JEANTY
Crossworld, Haiti

Pray for fresh vision and wisdom from above for Edner as he is returning to lead the church and resuming his other leadership roles after the last couple months of illness. Pray for political stability, national security, and economic progress for Haiti. The environment is very volatile, and the challenges are many.

8 PAUL & KARAN DAVIS
TEAM, France

With warnings of another imminent outbreak of Covid-19, France, along with most of Europe, is in turmoil. Pray for the churches that are seeking ways to share the hope that is in Jesus.

9 JOHNNY & SIONY FOWLER
Pioneers, Inc., USA

Praise the Lord that Siony tested negative for Covid, but the cough is lingering and interfering with her sleep, so please continue to pray for healing for her.

10 D & C
Asia

D & C feel blessed to become acquainted with a local pastor and his wife who are passionate about evangelism and reaching the lost. This couple visited them in their home and shared many exciting stories of how God has worked in and through their lives. The future is unknown, but they look forward to future opportunities to be involved in more local, in-person ministry.

11 GARY & PENNY SEITHEL
United World Mission, England

Praise God for Shalom's big classroom building being completed. From rough brick walls a few years ago to a beautiful building with reinforced walls, a roof, and a veranda. The community feels like God's goodness and glory has come to this village in Rakai. Schools are meant to open in January, so pray for no more delays and the Lord's favor over each family. They are praying for rain as crops around the school are failing in unusually dry conditions.

12 KATHRYN WURST

Be in prayer for the following events: Jan. 12, 19, and 26 – Free lunch event; Jan. 13 – Thursday Night Bible Study, and Jan. 21-23 – Winter Weekend Retreat, and Jan. 27 – Group Discussion Night. Praise the Lord for the December Retreat weekend, the first in two years, and they had an Unterwegs ministry Alumna as their speaker. They were so excited to be able to have a chance to get away with students before the end of the semester.

13 ANDREW & INNA RYZHKOV
Byelorussian Mission, Inc., USA/Belarus/Israel

In September, Byelorussian Mission held a well-attended Pastor's Conference in Kobrin. Over 200 Pastors and church leaders attended from many different types of protestant congregations! Already, pastors are begging them to return in 2022 to continue the Pastor's Conference of unity and mobilization for all denominations of evangelicals to expand the Gospel reach to every city, every family, and every child. Pray that this will come to fruition as the Lord leads.

14 ANDREW & ALECIA TEEUWEN
Pioneers, Inc., Greece

Pray for the family of Elisabeta, one of their Albanian friends, who had a sudden heart attack while swimming a few weeks ago. The coast guard found her body three miles out to sea. It is extremely difficult for her surviving family. May they know God's comfort and presence.

15 BEVERLY MINOR
Central Missionary Clearinghouse, Austria

Austria recently went into its fourth full Covid lockdown. Austria has a vaccine mandate for everyone by February 2022. There was an anti-lockdown and vaccine mandate protest (over 35,000 participated) and some police officers participated. Praise the Lord: The churches are free to hold services, street evangelism is happening and choir rehearsals too. Everyone must take a PCR test to participate. Bible study groups are once again via Zoom.

16 AL RHEA
Cru, USA/Southern & Eastern Africa

Praise and thank God for the 194 trained in Multiplying Churches and Communities (MC2) from the NE Region of Madagascar. Northern Ethiopia is facing a worsening humanitarian crisis each day with more than nine million people in urgent need of assistance. Pray for Al's grandson who is getting married today in Nashville.

17 BRANDY INGLE
Wycliffe Bible Translators, USA

19 ANNE MARIE DECKER
International Mission Board, Peru

Please pray for the many hours of dedicated study and practice Anne Marie will be resuming in January as she works to improve her Spanish proficiency from Advanced Mid to Advanced High by the middle of 2022. This will include about 15+ hours per week on top of her usual work. Pray for more opportunities to meet locals – to build relationships, to practice Spanish and to share the gospel with more people.

20 TYLER & LARA PATTY

Pray for the Praxologie Podcast. Pray that their efforts in running a podcast for European leaders would bear fruit. Pray especially for Lara as she handles all the behind-the-scenes production.

21 VERAL & NORMA BLAKE
Ambassadors for Christ International, West Indies
Praise the Lord that Nigel is back in the USA after six-weeks break at home from the first course of treatment and has begun a second cycle of chemo at Kings County Hospital in Brooklyn, New York. This will be for a period of six months. He is coping very well.

22 ROBERT & MARY JO FOSTER
Be One Together, USA/Brazil
Recently, they conducted another workshop and training clinic, employing again the pandemic adaptations they developed. Of the 133 workshop participants, twenty had set aside the whole week for the more in-depth clinic training. These were from four churches, two of which are on the other side of Brazil.

23 AL & MARY MADELINE WHITTINGHILL
Ambassadors for Christ International, USA
Pray for Al as he continues to quicken our hearts through an appeal to return to the Word of God. The Lord has anointed him with the great gifts of writing and preaching. He writes, "We must be able to discern the aggressive movement away from the Word of God that is fast gaining momentum in many churches today. The entrance of His Word will give light, and when received as God's Word it will work effectually in those who believe."

24 ANDREW & ANNA GORSKI
In Touch Mission International, Poland
Pray for Andrew as he prepares for the first public campaign on evangelical Christianity in Poland – building team, finding resources, etc. Evangelicals make up two-tenths of one percent in Poland. At this point, twenty-eight percent of Polish churches and 400+ pastors and leaders were part of at least one common project. They believe collaboration and unity, which is God's will for His church, will bring fruit and growth of the Polish Church.

25 LINDA SUMMER

30 SERGIO & LINDA MIJANGOS

31 BILL & JOY CARRERA

Praise the Lord that the insurance company approved to cover Joy's new oral targeted cancer medication treatment. The doctor is very optimistic that this treatment will put her cancer into remission. There are possible mild to more severe side effects from the medication. Please pray for the medication to be effective and minimal side effects, if any.

"THEREFORE, MY BELOVED BRETHREN, BE STEADFAST, IMMOVABLE, ALWAYS ABOUNDING IN THE WORK OF THE LORD, KNOWING THAT YOUR TOIL IS NOT IN VAIN IN THE LORD."
