

1 DAVID & KATHY NORTH TEAM, USA/Worldwide

Beginning today, David and Kathy will be facilitating locally an eight-week Discovery Bible Study for advanced students who are involved in “English Crossing”. These are primarily immigrants from Russia and Ukraine along with some Hispanics. English Crossing is a local ministry that their church runs for internationals to learn English for free. It will be held every Monday night into early December. Please pray that God will bring the ones that He wants to be a part of this and that their hearts would be open to Jesus!

2 KEITH & JACI PATMAN Wycliffe Bible Translators, USA/Central Africa

Praise the Lord for leading the Ngunu-speaking community to take on a momentous task of multi-language Old Testament translation and for the three men involved in launching such a program that will no doubt take several years to complete. The preliminary session of the workshop series takes place Nov. 1-5.

3 ALAN & LYNEE WARD Wycliffe Bible Translators, USA

Nine teachers participated this summer in the GECCO teacher orientation that Lynee’s team holds each year. Two are already teaching in Mexico and Cambodia, and several others are busy building partnership teams so that they can go to Cameroon, Mexico, and Papua New Guinea to teach. Praise God that Alan’s team released a major update to four Roman fonts, Charis, Doulos, Gentium, and Andika, used by hundreds of minority languages needing Bible translation in the Americas, Europe, Russia, the Pacific, and much of Africa.

4 FOTIS & MARY ROMEOS AMG International, Greece

Special prayers requested for AMG International Staff Retreat during Nov. 4-6; for the GHO medical team serving in Athens among refugees during Nov. 12-21; and for a trip in the northern part of Greece for various ministry projects during Nov. 26-28. Please also pray for Jonathan’s dismissal from the Greek army after he completed his service (which is mandatory for all Greek males.) Pray for an upcoming surgery on his dislocated shoulder.

5 LARRY & PEGGY ANDERSON Youth Outreach United, USA

Both Peggy and Larry are doing well and are so appreciative of your prayers. Please continue to pray that Larry’s strength would be returned. As recipients of your prayers, the power and significance of prayer on behalf of other individuals was greatly appreciated.

6 R & B Central Africa

R & B received approval both from Elliot’s CF doctor and from TEAM to return to their ministry country! They will arrive the beginning of November. Pray for them as they transition.

7 BENNETT & IDONG EKANDEM North American Mission Board, USA

Please pray for the newly arrived refugees to find healing in Christ Jesus. Also pray that God will give Bennett & Idong wisdom to know how to minister to them effectively. Pray for the children in the Ekanдемs’ after-school program to accept Jesus into their hearts. Please pray that the Lord will provide a permanent or long-term space so they can assist more families consistently.

8 TIM & KATHY CUMMINS Whirlwind Missions, Inc., USA

Pray for safety from Covid for the children they minister to in the apartments. All their work with the children is outside, and they all wear masks. Pray the children ask Jesus into their hearts as their personal Savior. Pray that their ministry and financial support will grow stronger. Pray for wisdom regarding transportation needs and that someone may have a car they can use. Praise that \$3,500 has been raised toward a car.

9 GARY & DONNA FERCH Friends in Action International, USA/Bolivia

One year ago, Gary was diagnosed with gall bladder cancer which had spread to his liver, lungs, and lymph glands. This was stage four inoperable cancer, due to how far it had spread. His latest CT scan was just done showing that the cancer looks to be in remission! The blood work also supports this conclusion. This is a miraculous improvement in eight weeks of taking the new chemo infusions. He will begin three more months of the new chemo treatment. Pray that he can endure the side effects and for his healing.

10 OLI & JUDY JACOBSEN Ethnos360, USA/Asia

Pray for the Jacobsens as they continue their ministry from home, following six weeks in the Faroes, for the time being, until Covid settles down more in Asia, allowing them to once again travel. They are thankful for the opportunity to connect with family, friends, and supporters while in the Faroes.

11 LINDA SUMMER The Agape Puppets, USA/Worldwide

Pray for their New Albanian Team, the young people and adults who came and trained for eight hours of specialized training, in addition to coming to the shows. They have true passion and great joy for this work, and surely God will use them to bless tens of thousands of children.

12 RICK & ELISABETH ARNOLD Pioneers, Inc., West Africa

Pray for the unique S people group whom they serve; for men struggling with isolation and duty to family, for women longing to have children and are facing pressure from the community, and for believers struggling with poverty and persecution.

13 JULIE ROSEBOOM Ethnos360, Asia Pacific

Pray for three students who are waiting to return, and for five teachers who are waiting for visas to return or come for the first time. Your continued prayers are appreciated!

14 KEITH & RITA HAYWOOD Operation Mobilization (OM), USA/Worldwide

15 J & K Central Africa

Please pray that the Father would guide the words that J & K speak as they share with different supporting churches and friends. Continue to lift up their team members in Central Africa who are laboring on faithfully.

16 K & C Middle East/USA

Praise God because of your prayers and support, K has been able to teach sound theology, Biblical truths and church history and historical theology issues, and several of our students are now continuing in serving the Lord in quality teaching.

17 PAUL & KARAN DAVIS TEAM, France

Praise the Lord the new coaching/mentoring ministry they planned to launch in 2020 is beginning to take off. These coaching/mentoring opportunities, coupled with their involvement in various local ministries (Gospel choir, English conversation class, small group Bible studies, etc.) have propelled them closer to what they had hoped to see before Covid-19.

18 RICK & MARY LYNN ATHERTON Campus Crusade for Christ, South Africa

Pray as Rick and Mary Lynn fly into Atlanta today to begin their furlough in the US through March 1. They will then drive down to Laura’s home in Tampa to take care of grandkids while school is out before Thanksgiving. Pray they will make wonderful memories together.

20 GARY & ESTHER SMITH Ethnos360, Papua New Guinea

Pray for Gary in his leadership responsibilities: teaching modules on language and culture, and another on Teamwork, along with field leadership meetings. Pray for Esther as homeschool coordinator. Pray for the new E2 families to get well equipped to plant churches around PNG.

21 LEAH RIGSBY Wycliffe Bible Translators, Papua New Guinea

Pray for her international travel details for her return to Papua New Guinea in December! She is very grateful for the prayers and help she has received to meet her Wycliffe ministry budget.

22 DALE & CAROLE HOSKINS

Wycliffe Bible Translators, USA/Africa

Dale shared that he is enjoying getting to know the eight new CiTs (consultants-in-training) that he will be mentoring over the next three years, as they go through their CiT process. Please pray for Dale in Kenya working with the people group until he returns November 23. (Carole joined Dale for the first couple of weeks, which was a blessing.) Please pray especially as they deal with the heat in the upper 90's most of the time, as Kenya's summer months are approaching.

23 BRANDY INGLE

Wycliffe Bible Translators, USA

Praise God that He has sent new and returning missionaries to Papua New Guinea at the time He ordained to fill needs this year. He is always faithful. Pray that Brandy can sell her house in PNG soon, so she can begin her new assignment with Wycliffe. There is a family interested in it. She must also meet the \$1,100/month gap in her ministry budget before she can begin her new work.

24 ANDREW & ANNA GORSKI

In Touch Mission International, Poland

Pray the Gorski family will be able to raise additional monthly support. The inflation in Poland is the highest in 20 years. Pray for wisdom for leaders for the beginning of a new 501(c)(3) in the US, "Impact Poland" focused on helping Polish ministries. Pray for Monika, their newly hired media person. Her job will be very difficult – to run long campaigns on building awareness of evangelicals in Poland. Also pray for wisdom for national collaboration leaders.

25 T & A

Central Asia

In a village recently visited, most believers there came to faith between 2004 and 2010. They have faced ostracism from their relatives and persecution from the authorities. But they have stood the test and are more solid in their faith because of it. Pray they will have freedom from fear and know daily the peace that passes understanding and joy that no one can take away. Pray they will be filled with power and wisdom to continue to spread the good news to their people!

26 JOSHUA & GINA BLOOMFIELD

AFC International, Australia

Approximately one-third of the world's last remaining unreached linguistic groups exist in the South Pacific. Please pray for Joshua and his team as they begin immediately working with Sunia and the Bible Society of the South Pacific to train and coach local ministry leaders in how to start disciple making movements among the unreached tribes of their countries. Pray as they structure this exciting new relationship over the coming weeks and that God would provide the funds necessary for this initiative to move forward and be effective.

27 SAM & SILVANA SHAW

Presbyterian Evangelistic Fellowship, Ireland/Worldwide

Pray for the Shaws today as they are involved in doing programs for three hours along with a Gospel band, during a Christmas tree light ceremony. Praise God For the churches they've been able to help during and coming out of the lockdowns in Ireland and Scotland, as well as the school opportunities they've had and are looking forward to this Fall.

28 GARY & PENNY SEITHEL

United World Mission, England

Pray as Rail Pastors are continuing to engage weekly with passengers and station staff as part of the suicide prevention partnership with British Transport Police and rail companies. Shalom school's old classroom building has been transformed by your generosity! The guardians and parents were invited to gather at Shalom Primary school to hear exciting news that their child could now study further in senior school. They never imagined such a program!

29 SERGIO & LINDA MIJANGOS

Avant Ministries, Guatemala

Pray for Linda's chemotherapy treatments - for maximum effectiveness with minimal side effects, complete healing, strength, and healthy nutrition. Praise the Lord the Counseling Center continues to function on Zoom and Linda has been able to continue to see clients.

30 T & D

Asia

T & D started teaching classes the day after they returned so it has been good for them to have classes to prepare for and teach. All their classes are online for this month so it worked out great that they could teach via Zoom like all the other teachers.

"THEREFORE, MY BELOVED BRETHERN, BE STEADFAST, IMMOVABLE, ALWAYS ABOUNDING IN THE WORK OF THE LORD, KNOWING THAT YOUR TOIL IS NOT IN VAIN IN THE LORD."
