They are opening their ministry house back up to students to use as a study/research space since the library is closed until November. The team is excited to work with their student leaders; they will also offer hospitality to students who are stressed out with research papers. Mondays and Thursdays in October are semester planning and team development meetings. Please pray for the Lord's guidance over these sessions.

## **2 SCOTT & JAN LULEY** **Emeritus Cru Staff, USA**

After 45 years of full-time ministry with Cru for Jan and 43 years for Scott, they decided to transition in September from full-time Cru staff to Emeritus Cru Staff. Jan and Scott didn't want to retire fully from ministry or Cru. Since they are both in good health (after Jan's knee heals), they will continue to do what they know and love -- ministry with Cru. They are transitioning to Emeritus staff as a stepping-stone before retirement. Praise God that Jan's knee is improving in strength and range of motion.

Their goal was to build national momentum to continue raising up more Christ-centered multiplying disciples. The event was attended by local staff, students, marketplace leaders and financial partners. In addition, 371 facilitators were trained to lead the various groups. Pray for the follow-up of this event as they are trusting God to mobilize 5,000 digital missionaries in 100 cities, to form 100,000 new discipleship groups, and to expose 1,000,000 people to the Gospel by the end of this year.
