4 SERGIO & LINDA MIJANGOS Avant Ministries, Guatemala

The biopsy on Linda's spine went well, releasing pressure on the spine which stopped very painful back spasms that she was constantly having. Thank the Lord that Linda was able to start radiation therapy on her spine in August and it has helped significantly with the pain.

7 T & D Asia

Pray for the Christian college which has been opened for 61 years and is now facing possible closure, as it is difficult to compete with the government colleges that offer a wider selection of courses. Pray specifically for a new president who is well-connected, well-funded and able to lead the college to restoration.

Praise the Lord for His faithfulness in making it possible for WTI's founder to celebrate 70 years in ministry this year. It started in Belgium with Christian Literature Crusade and Youth for Christ, followed by service with Greater Europe Mission. In 1981, burdened that many local churches didn't know the joy and blessings of being involved in world evangelization, Bill Boerop launched World Thrust International.

The conference will be for Hispanic pastors and expositors to share the real Gospel. Please continue to pray for Argentina to open. The virus numbers are still high, and it does not appear Argentina will open in September.

16 BELA & ILDIKO DOBOS Word of Life Fellowship (WOLF), Hungary

Praise God for one of the greatest summer camps with 917 campers during seven-weeks of camp without government restrictions. 18 DAVE (TEG) & MIKKEL TEGELAAR Cru/Athletes in Action/ USA

This summer Teg and the Ultimate Training Camp team gathered several staff from around the country to create two versions of virtual camps for athletes anywhere to participate. They learned a lot about video production, filming the workouts sessions in Madison, WI, and the teaching sessions in Miami. This resulted in two new ways for athletes everywhere to experience the Gospel through the language of sports: UTC Sprint (camp-on-demand video series for anyone to lead their own minicamp anywhere) and UTC Every (Every Sport, Every Team, Every Nation - simulcast virtual camp).

Pray for Lebanon and its people, as it continues its long downward spiral and there seems to be no end to the current crisis. Pray for pastors who want to lead their church in the life of a witness and teach them how to live that life. Jesus' teaching to his disciples was as much about how to live as how to connect to God. To these people (people like you and me) EvangelismSHIFT is freeing, as they understand how representing Jesus fits into normal life, normal relationships, and normal conversations.
